For hundreds of years lullabies, counting songs, and finger plays have calmed and cheered little ones. Music teaches motor and social skills, language development and cultural pride. In the classroom they brighten the mood, focus energy and celebrate culture. In this 2-part series participants will learn easy and adaptable songs, plus kid friendly food, art and movement activities from women from Congo, Iraq, and Bhutan. Come prepared to have fun, share in Erie's cultural wealth, and add to your teacher's tool kit!

This program supported in part by a grant from the PA Humanities Council.
